Welcome Jeremiah!

We would like to welcome Jeremiah to the Adult Day Program. He is a great addition and we are so happy he is here!

Feel-good, Friend, Feature...

Each month one of our staff members will spotlight a participant. This month Kelly will be spotlighting Alex.

Alex is such a kind and hardworking young man. He always makes our day brighter with his smile. Alex loves to hang out with his friends and to show off how independent he is. It is a joy to see how much he has excelled here at CECO not only physically but socially as well. I have had the pleasure of working with Alex in Life Skills and have watched him blossom with his communication skills as well as his decision making.
